## Formats & Protocols

Time	Log #	Channel	ID #	Name	Message / Information
------	-------	---------	------	------	-----------------------

**Time:** Timestamp of radio calls.

**Log:** Separate sequential numbering of radio calls for each of the 3 channels.

**Channel:** PD Ops 4 = Tactical (EDSU) Personnel; PD Ops 3 = Traffic Control; Sheriff = BuC Sheriffs

**ID#:** Radio ID number.

**Name:** Name or designator (e.g. 911, Command 100) of caller.

**Message/Information:** Radio protocol uses assigned call signs for ESU Officers (military phonetic alphabet ) and what appears to be badge numbers for Sheriff Deputies and Butler Twp Traffic Patrol. This is primarily used to initiate a conversation, unlike the U.S. Navy submarine communications where it was strictly enforced for every communication in a watch station To, From format.

### Radio Procedures

#### Radio Procedures

- When calling CP use County Code prior to your call sign  
Example "10 BRAVO 1" or "10 Sierra 2"

#### COUNTY CODES

Beaver-4  
Butler-10  
Washington-63

PA Dept. of Revenue  
[County Codes](#)

Others use a From, To format.

- "Alpha" used for (mostly) QRF
- "Bravo" used for (mostly) CAT 1
- "Charlie" used for BuC Command
- "Delta" used for BeC Command
- "Romeo" used for (mostly) TEMS
- "Sierra" used for Counter Snipers

#### WRSWAT:

Not given call signs, so used a "63(Last Name)" call sign format.
